## Picture Day

Saturday, April 19

Saturday is our Picture Day. The pictures will be taken down on our U14 field. Please plan on arriving on time, so we can stay on schedule.

The information sheet for the photographer is a little confusing. The best value is Package #4C, which is the basic package (individual picture and a team picture in a nice cardboard frame, suitable for framing) for only \$11. **Plus each person that orders any of the Packages #1-#5 will receive a free 8x10 and a free picture magnet.**

Coaches, if you order one of the packages, you will also receive a free "buddy" picture with you and your child.

We realize that not everyone will want to purchase an individual picture.

However, it is nice for the coaches to have a complete team picture. **So, if you decide not to get an individual picture, please come and allow your child to be included in the team picture at no cost.**

## Concession Stand

The Concession will be open again this season. We appreciate the school's willingness to allow us to use the concession stand each season. Hope you'll stop by!

For those that have signed up to help in the concession stand, we say, "THANK YOU!"

If you have checked the box to help in the concession stand on the registration form, you have already been assigned a time slot. Hopefully, you have received an email with your assignment. If not, please contact Melissa Phillips at millcreeksoccerclub@gmail.com and she will let you know.

**There are also a few openings!** If you or a family member can help fill one of those OPEN spots, go to <http://millcreeksoccerclub.org/volunteer-sign-ups/>. You can easily click and sign-up for an open time from our website.

If you have questions, please contact Jim & Julie Hamilton.

## Can YOU Help?

It takes lots of workers to organize and run an effective soccer program. As soon as the Spring season gets underway, we are already starting to plan for the next season. The MCOSC Board is always looking for new members to help. Just let us know your strengths, and we can put you to work! :o) Contact Melissa Phillips (539-5279) if interested.

## Corporate Sponsors

We are SO thankful to our corporate sponsors. Without them, we could not keep our prices at the lowest in the county. Sponsors also help cover registration fees for families in need each season. Please take a moment to thank our sponsors who have contributed financially to our soccer club:

**Harold Tinsley with Edward Jones  
Hendricks Regional Health**

**Other Sponsors Who Help our Club:**

Mill Creek Optimist Club  
Mill Creek School Corporation  
Avon Sports Apparel  
Ray's Trash Service

## Rec Division Awards Day

Mark your calendar! The Awards Day for the Rec Division (U6-U10) has been scheduled for Saturday, May 31st, at 10:15 AM. There will be one game before the awards beginning at 9:00 AM, and one game following the awards.

## Additional Help in Two Areas

This is a season for needing help! We have two areas that need extra help.

**#1: Tournament:** We are hosting the U12 Girls tournament this Spring, May 31st. It's a very small tournament, but during this time, we need some people that would be willing to work in the concession stand, especially in the afternoon; drive the golf cart; or be a field monitor. The game times are 9 AM, 11 AM & 2 PM. If you would be able to help in one of these areas, please contact Melissa Phillips.

**#2: New Shed:** We need someone who would be willing to help us design and plan a new shed/concession stand building. Melissa has started the plan, but could use some help. This is just the idea stage. If you've got talent for planning, contact Melissa Phillips.

## Optimist Club

Our soccer club is under the leadership of the Mill Creek Optimist Club. The Optimist Club does a lot for the youth of our community. Yes, it sponsors sports such as basketball, summer swim, and soccer. However, it also offers scholarships, oratorical contest, essay contest, and works closely with the schools in our district. If you would like to know more about this excellent club, please call Jack Nichols. It's a great way to help the children in our area!
