

# Player Age Chart - Fall 2021

Players are placed in divisions based upon their date of birth. Divisions are named by player ages at the end of the “soccer year” which runs fall to spring.

*... For the fall season, all of the kids in the 10U division will be 9 and 8 (or turning 8 this year). There will be no 10 year olds on the 10U teams this fall...*

Most of our divisions are grouped with 2 years together. Please check the age chart to see what division your player falls into. Let us know if you have any questions!
